## WELCOME TO THE BEARS OF SHEFFIELD AUCTION

I was delighted to be involved with the Bears of Sheffield this summer. The trail has brought together families and friends, businesses and schools, artists and the local community in support of Sheffield Children's.

After such a challenging time for us all, it has brought excitement, joy and smiles back to people's faces, all in the service of a wonderful cause.

I have been incredibly proud to have been a patron of Artfelt, the charity arts programme at Sheffield Children's, for almost 10 years now. My bear, dedicated to the hospital, represents the feelings of love and gratitude felt by anyone who has ever needed to use their amazing services.

The money we raise through donations is vital in supporting patients, families and staff for years to come. What better way could there be to say thank you for looking after those most precious to us.

# HOW YOUR SUPPORT IS CHANGING LIVES

The money raised through the Bears of Sheffield, and the auction, will help support Sheffield Children's where it needs it most, which is to fund a new Cancer and Leukaemia Ward at the hospital. The Bears have created a lasting legacy for patients at Sheffield Children's being treated for cancer, leukaemia and blood disorders by transforming the ward with a bigger, brighter space for their treatment, single en-suite bedrooms and better facilities.

Hi, I'm Myla and Sheffield Children's saved my life. The Bears will help support patients and families like ours. We can't thank you all enough x
