

BE A GOOD EGG

The Children's Hospital Charity*

Registered Charity No. 505002

You can bring a smile to patients at Sheffield Children's Hospital this Easter by sending them a message. Some of our children in hospital are not able to eat chocolate because of a restricted diet or they are fed through a tube. Making a donation instead of giving Easter Eggs could help fund a bigger waiting room in the Emergency Department and toys to play with.

HOW IT WORKS: Write a message below then donate what you would have spent on chocolate eggs to Sheffield Children's Hospital. When you have filled as many eggs as you can send in your poster along with your donation. It's that simple!

We are helping to get patients healthy.
