I have read this statement and want the charity named above to reclaim tax on the donation detailed, given on the date shown. I understand that if I pay less Income Tax / or Capital Gains tax in the current tax year than the amount of Gift Aid claimed on all of my donations it is my responsibility to pay any difference. I understand the charity will reclaim 25p of tax on every £1 that I have given.

Please note that if the sponsor is connected to the fundraiser taking part in the challenge we are unable to attribute Gift Aid donations unless the fundraiser pays the full advertised cost of the event. A connected person is a person who is connected with the donor such as a wife, husband or civil partner, a relative (brother, sister, ancestor or lineal descendant such as a grandson), the wife, husband or civil partner of a relative, a company under the control of the donor, or under control of connected persons.
