

# Design Theo's Christmas Jumper!

**Hi I'm Theo!** I love getting cosy at this time of year in my favourite Christmas jumper, and this year I really want to stand out. Can you design my Christmas jumper to make sure I look amazing? Why not use lots of colours, different pens and even try sticking bits on!

You and your friends could even organise a competition—it's easy. Just follow these steps:

1. Choose a prize (it could be anything—you decide!) and ask your family and friends to join in
2. Ask everyone who is taking part to make a donation
3. Get creative! Get making your design—the wackier the better.
4. Get someone (who hasn't submitted a design) to decide the winner and take home the prize!
