Creative Care Package

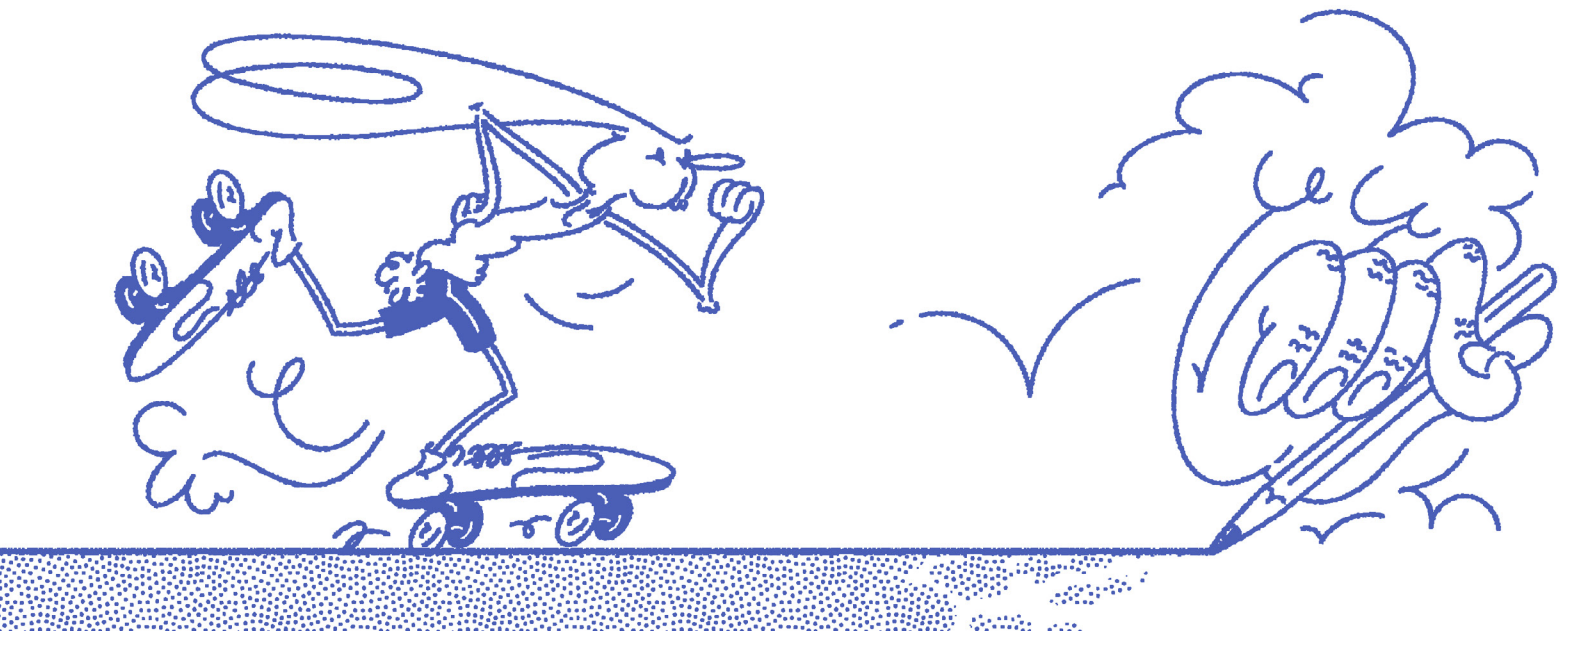
CCP No. #01

"The Race"

May 2020

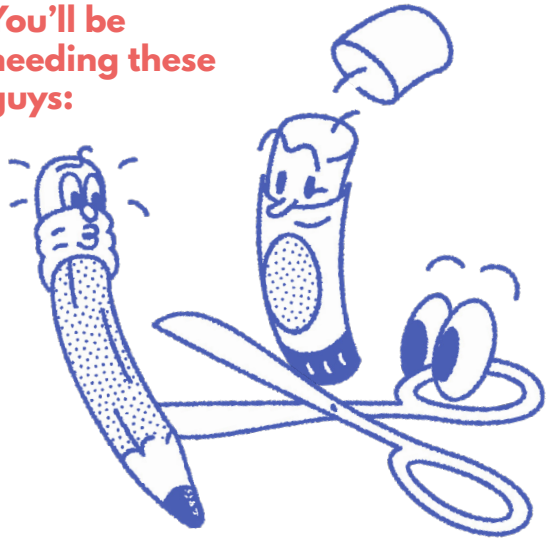
On your marks... Get set... DRAW!

Colour in these wacky racers, and create your own characters to beat them, in this extendable illustration challenge.



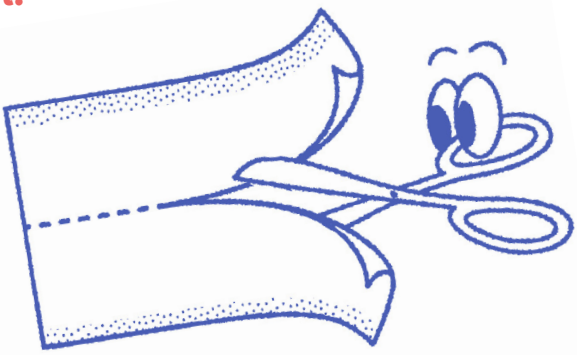
What to do...

You'll be needing these guys:



First, print pages 3, 4 & 5 of this document.

Next, cut along the dotted lines in the middle of each page:

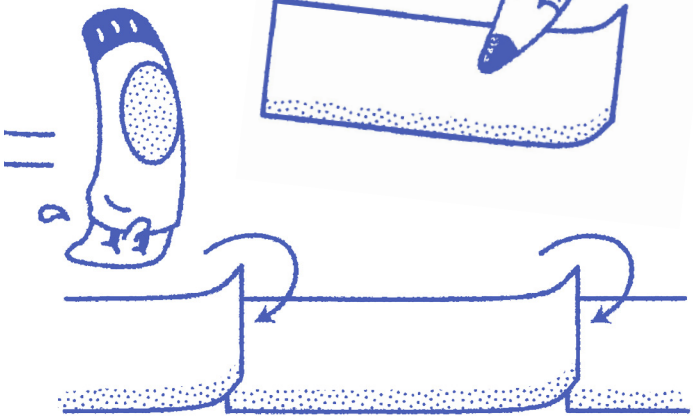


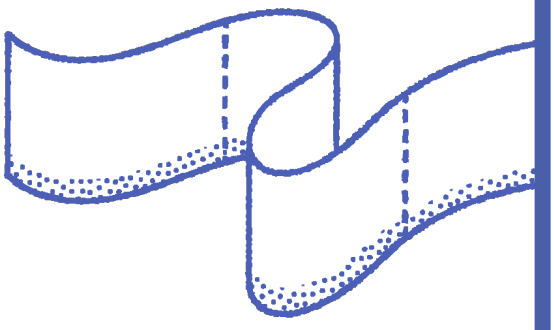
Now for the fun bit - colour in the race and add your own characters!

How about adding some extra detail, like cheering crowds, trees and sky?

There are even some blank sections for you to design your own from scratch!

When you're finished drawing - it's time to get the glue out...





(your printed might have left an empty border on the edge of each strip - you can trim this off so the pictures all join up nicely...)
