**Select one card at a time
and use it to inspire what
happens next**

OR

**Spread them all out and
choose your favourites.**

**Feel free to add in your own
ideas by cutting up some
paper to make blank cards.**

**You can create your own
characters, or even put
yourself into the story!**

**There are lots of ways
to tell your story —**

- **Draw it**
- **Write it down**
- **Talk it out loud**
- **Or even act it out**

**You are the Story Maker —
you bring the stories to life!**

**There are lots of extra things you can add in too.
Can you create —**

- **A map of your story world?**
- **A vehicle to travel in?**
- **A cartoon of your characters?**
- **A script for them to say?**
- **A magic spell or a song?**
- **Actions, sound effects and props?**

Or whatever else you can imagine!
