Registered Charity No. 505002

The Children's Hospital Charity helps make our special hospital even better!

We help our patients and their families get better as quickly as possible by funding new specialist medical equipment, as well as research and treatment for all who visit our special hospital from Sheffield and beyond! Our job is to make the hospital as comfortable as possible for our amazing patients.

Every penny donated to The Children's Hospital Charity does make a big difference. The generosity of our donors and supporters keeps our hospital at the forefront of paediatric care.

Donations can be made to specific wards or funds. All you need to do is let the charity know where you would like your money to go. All projects supported by the charity are above and beyond the NHS provision.

Let's make our special hospital better together!
